

Ladies' Tea Time

Looking for a warm, accepting group to share life's experiences, recipes, and cultural stories in general?

Take a break from the regular home routine of chores, children and cooking. Build your self-confidence with the support of other women in a confidential and nurturing environment where you can share openly. Everyone has a valuable story to tell and we can all learn so much from each other! Come and meet new women friends and have lively conversation over coffee/tea and snacks at the Chandler Mowat Community Centre.

You are welcome to join even if you don't live in the Chandler Mowat area; all you need is to enjoy conversation. This group is for those who want to have a social outing, meet with new friends and catch up with old.
